>

### Pre-confirmation

1. The Boatshed allows a client to 'pencil-in' a wedding date.
2. A client with a pencilled-in wedding date gives the client the priority over that wedding date up to and including 48 hours from the time The Boatshed notifies the client of another interested party.
3. The Boatshed may choose to contact the client by email, phone or other means and the 48 hours applies regardless of when the client opens or receives the message.
4. The 48 hours is measured in real time not in business time.
5. If a client has pencilled-in a date this means that that date is not confirmed. The Boatshed has no obligation to hold the date longer than 48 hours if the client does not confirm this date within the 48 hours.
6. In the event that neither the client or the other interested party is ready to confirm, the client can choose to keep the date 'co-pencilled' with the other party. In this event the first party to pay the required non-refundable deposit will be the confirmed party for that date.

7. A deposit/bond of \$1000.00 is required to confirm all bookings.
8. The Boatshed will use the deposit/bond to pay for additional costs incurred by the client (such as bar tabs, coffee tabs, damage caused or otherwise) during the event & refund any remainder within TEN working days.

17. It is the client's responsibility to arrange this organisational meeting.
18. We suggest that the client books the organisational meeting well in advance as we get booked up fairly quickly.
- 18.b All changes / updates to discussed items must be informed in WRITING via email (or comment in google docs where applicable) and must meet the Boatshed's approval.

**The Boatshed Catering**

19. The numbers of guests must be confirmed TWO weeks before the wedding date for catering purposes.
20. Any extra guests must be approved by The Boatshed and are subject to additional charges.
21. A decrease in the confirmed guest numbers will not decrease the catering price charged to the client.

23. Price variations for new menus shall be emailed to the client via updated menus.
24. Updated menus may not be available until one month prior to the wedding date due to seasonal changes. Prices may change without notice if supply prices increase beyond our control.

41. Doors into the band room must remain shut when the band is playing.
42. The Boatshed reserves the right to change or stop the playing of a song or music at any time to ensure a suitable atmosphere is upheld.
43. If you choose to use an ipod/music device for either part of your function, your device must be given to management either the day before or at 10am on the day of your function to ensure proper sound checks can be run.
44. For noise mitigation, the front sliding door will be required to be completely closed and the deck area vacated by 9.00pm or at the direction of management. All outside mingling after 9.00pm must take place on the lawn in the centre of the roundabout and the gravelled area that goes back from there to the band room/northern cafe entrance. Please bear this in mind when planning your schedule.

### **Set Up & The Wedding Day**

The Boatshed retains the right to cancel this at any time if we require the venue for other purposes. In effect the pencil does not constitute a confirmed booking and you have no rights to this date.
53. Earlier access on the day of your event may be able to be arranged by negotiation at the rate of \$120.00 per hour ex GST.
54. Strictly no glitter or confetti to be used at The Boatshed. Candles may be used in safe, mess-free receptacles approved by the Boatshed. Fresh Petals for tossing may be used only with prior written approval from the Boatshed.

55. If a client opts for the BYO option, BYO includes Beer, Wine, Cider & non-alcoholic drinks only.
56. BYO does not include Ready To Drink Alcoholic Drinks (RTD's), spirits, fortified wines or any other alcoholic drink unless pre-approved by the Boatshed. If RTD's are approved they must be a maximum of 4% alcohol.
57. If the client wishes to serve any spirits or otherwise it must be purchased through The Boatshed either by guests or tabbed at your instruction.
58. The licensed area extends from the main venue on to the lawn and to the area towards the carpark and exit. The boundary of the licensed area is demarcated by rope lights and signage. No alcohol can be consumed past this point. (see appendix two)
59. The Boatshed chilling capacity for BYO is limited to approximately 30 dozen beers and eight cases of wine.
60. If the client wants to bring more than this, the client may need to provide a chiller trailer at the client's own cost. We suggest that the client obtains the chilling trailer the night before the wedding day to ensure the alcohol is chilled.
